PROTECT EACH OTHER, WEAR A MASK
Face coverings are required indoors for everyone on campus, regardless of vaccination status. Stanford also strongly recommends masking outdoors in crowded settings.

UPLOAD VACCINATION RECORDS & SELF-ATTEST IN HEALTH CHECK
After you have submitted your vaccination records to the VadenPatient Portal, make sure to self-attest vaccination status in Health Check.

PAY ATTENTION TO HOW YOU FEEL
Even mild cold symptoms may be COVID-19. Test immediately.
WASH & SANITIZE YOUR HANDS OFTEN
Washing your hands for at least 20 seconds, or using an alcohol-based hand sanitizer, can effectively remove harmful germs and bacteria.

STOP THE SPREAD OF GERMS
Avoid touching your face, including eyes, nose and mouth, with unwashed hands. Clean and disinfect shared surfaces and frequently touched objects, like your cellphone, regularly.

MINIMIZE HIGH-RISK CLOSE CONTACT
Social distance, maintaining 6 feet of space whenever you can. As you socialize around campus always keep health and safety top of mind.

STAY UP TO DATE ON UNIVERSITY COMMUNICATIONS ABOUT COVID-19
Check your Stanford emails, Student Affairs COVID Guidance, and Stanford Health Alerts for the most current and critical information regarding COVID policy and campus updates.
