

TREES TOGETHER, VAX TOGETHER

COVID-19 VACCINES FOR NON-STUDENT PARTNERS, SPOUSES & CHILDREN

All students coming to campus this autumn are required to be fully vaccinated against COVID-19

Deadline for students to upload COVID-19 vaccination documentation has passed

- Get vaccinated and upload proof of vaccination to the VadenPatient portal as soon as possible
- Or submit request for a medical exemption

Non-student spouses, partners, and children aged 12 and older are strongly encouraged but not required to get vaccinated

Visit tinyurl.com/stanfordvaccineresources to check for appointments in your county

Visit vaccines.gov to identify providers who offer COVID-19 vaccines locally
