COVID-19 WEEKLY TESTING

Don’t forget to test using Color Genomics!

VACCINATED STUDENTS
Register and test once a week using Color Genomics

UNVACCINATED STUDENTS
Register and test two times a week using Color Genomics

If you begin to experience COVID-19 symptoms, get tested immediately.

VAX UP AND MASK UP

All Stanford students are required to wear face coverings in indoor spaces, regardless of vaccination status.

FACE COVERINGS ARE REQUIRED:

- When around maintenance workers
- When indoors
- When hosting non-roommates or apartment mates indoors
- When on public transportation
- When in healthcare facilities
GET VACCINATED

All students are required to be fully vaccinated against COVID-19.

→ If you still need to get vaccinated, go to VaccineFinder vaccines.gov

→ Upload your vaccination records to the VadenPatient portal

→ Self-attest in Health Check

UPDATE HEALTH CHECK

Complete a Health Check if you:

→ Have a positive COVID test
→ Exposed to household members who have tested positive

Don't be fooled!
Even mild cold, sore throat or allergy-like symptoms, may be COVID-19. Please test at the first sign of mild symptoms.
