

SIP ON THIS

BORGs (Black-Out Rage Gallons) are drink mixtures in gallon jugs. While pouring your own booze can be a harm reduction practice, BORGs often contain far more alcohol than most Stanford students drink when they go out. SUPER Cups are a more effective strategy to stay safe when choosing to drink.

SUPER Cup

EANABS > BORGs

- ↳ **SUPER Cups** are *free*, *sustainable*, and **help you measure** your drinks more effectively
- ↳ **EANABS** (Equally Attractive Non-Alcoholic Beverages) are a Stanford staple at gatherings and parties and **help you pace and hydrate!**
